Notes:

1. Lands in the Agricultural Preservation Area, including lands also mapped Resource Protection Corridor, may serve as TDR Sending Areas in the Town's TDR program. Lands in the Neighborhood Development Area, and in the Agricultural Transition Area once the Town designates such lands as appropriate for more intensive development, may serve as the primary TDR Receiving Areas. The Town may also allow limited transfer of Residential Density Units (RDUs) between parcels in the Agricultural Preservation Area. See Land Use chapter for details and limits.

2. If the majority of a tax parcel designated as a Neighborhood Development Area or Agricultural Transition Area is within 1/4 mile from the Village of Cottage Grove boundary and tax parcels as of July 5, 2022 (with such 1/4-mile radius shown on this map), transferred RDUs are not required to obtain Town approval of a development on that parcel with greater than the number of housing units (RDUs) allocated to the May 15, 1982 tax parcel.
